

COMPANY HEALTH AND SAFETY POLICY

Safety First

We are committed to providing and maintaining a healthy and safe environment through promoting “Safety First”.

Education and Training

Establish a safety culture and a resource of competent personnel through education and training.

Prevention

Prevent accidents, incidents and illnesses through identifying and managing unsafe work practices and hazards.

Improvement

Review and continually improve our health and safety systems.

Involvement

Ensure all staff are aware of their health and safety responsibilities through proactive involvement.
